

ROAD RUNNING COMMITTEE | BOARD REPORT – JUNE 2019

JORDAN MYERS

SUMMARY OF ACTIVITIES

- **Overview**

- RR Committee had their Q2 mtg last Monday (June 17) – *note: the agreed upon committee meeting format is an annual quarterly schedule (4mtgs), about 90min in length discussing status of road running and ongoing projects*
- Updates since last report (March/April-Q1)
 - Competition report – [see BCA staff report](#) (Road & Cross Country Manager)
 - *The following is my summary from our mtg last week, official #'s will be in our minutes:*
 - **Island series** – participation continues to be strong for the island, & were 5-10% up across the series
 - **Lower Mainland series** – first event, Icebreaker was way up, otherwise participation in all events are down in the series year over year.
 - **Interior series** – participation continue to modestly rebound from the trough the last 3 years.
 - Committee voted & motioned for funding changes to the provincial champs awards from BCA to streamline admin. This motion was in turn approved by the Board.
 - RD Conference 2020 dates have been set – [see BCA staff report](#)
 - 2020-2021 provincial champ committee voting & selection has been made. [Selection Criteria \(click link\)](#) Race organizers are being notified by BCA staff. If they accept the nomination, we anticipate announcements being made by mid-July. One point to note, we had only one submission for the 5k, the incumbent.
 - Activities for the RR committee continue to be mostly asymmetric (1 x1 emails) with a handful of online group discussions as needed. Work through email regularly each month with updates from the technical manager to individual members across the province & updates sent to chair.
- Committee is actively attending road running events, supporting BCA at the expos
