

1. Individual Memberships (BOD approval required)

Please refer to the list attached. This list represents memberships processed between November 6, 2019 and January 20, 2020. This list includes both 2019 and 2020 memberships. Individual memberships must be formally approved by the Board of Directors.

The final figure for total members for the 2019 membership year is 6,371. This compares to 6,556 for the previous (2018) membership year. We are down 185 over the previous membership year.

2. 2020 Club Membership Renewals IN PROGRESS Can be approved pending completion of all requirements

Please refer to the club list provided. There are 51 clubs listed as “Clubs to be approved pending all requirements – 1/25/20” to be approved by the board.

There are 5 clubs from 2019 that have not renewed so far but are expected to.

1 club advised that they will not be renewing for 2020 because the club is too small this year.

There were 18 clubs previously approved pending requirements at the November 2019 BOD Meeting

Given the above figures we should end up with 74 clubs in 2020. This will change should new clubs apply for affiliation. We had a total of 75 clubs in 2019
