BC Athletics Board of Directors Meeting

November 21, 2020

Zone 7 and 8 Updates – Cathy Johnson, Director

1. Training to resume January indoors if Covid restrictions allow.
2. Volunteer based has been decimated across the zones because of covid fears and restrictions.
3. Young coaches taking advantage of virtual opportunities for coaching development/learning.
4. Along with the rest of the province there is uncertainty on when sports in schools will resume. This effects track and field. Although students can run on their own or within cohorts they miss mingling with friends and other teammates.

Needs

1. More innovative ways to connect throughout the province and the region needed.
