7. SELECTION CRITERIA

7.1 SELECTION STANDARDS (ABLE BODY ONLY)

For the purposes of team selection, BC Athletics will use 2 sets of standards, Minimum and Automatic. The methodology for each set of standards is as follows:

a. ABLE BODY - MINIMUM STANDARDS METHODOLOGY

Minimum performance standards have been set by the Canada Games Council in partnership with Athletics Canada (NSO) to, “reflect the expected training and/or performance parameters of a typical Canada Games athlete in the Training to Compete phase of Long-Term Development (LTD). These Performance Guidelines have been developed as a tool for P/T teams to use at their discretion in the training and selection of their Canada Games teams.

b. ABLE BODY - AUTOMATIC STANDARDS METHODOLOGY

When producing automatic standards for the 2025 Canada Summer Games Team, BC Athletics works with the philosophy of “probable finalist, possible medallist.” The 2025 BC Canada Summer Games Team Automatic Standards are based on the average of 6th ranked performance from 2023, 2023 and 2024 or the average National 8th ranked performance from 2022, 2023, and 2024. When the 6th ranked performance in 2024 was a lesser performance than the 3 year-average, the average 8th ranked performance was used (with some exceptions in field events).

7.2 SELECTION TRIALS

The selection trials for Able Body athletes will be hosted at the:

2025 JESSE BENT MEMORIAL MEET / CANADA SUMMER GAMES TRIALS
MAY 31 - JUNE 1, 2025
COQUITLAM, BC (PERCY PERRY STADIUM)

Athletes wishing to be considered for this team will be required to compete at the trials event in the event(s) they wish to be considered in.

7.3 ELIGIBLE PERFORMANCES

It is the responsibility of the athlete to ensure eligible performances appear in the rankings to be considered for selection. Please submit results to results@athletics.ca. For performances that take place on the last day of the qualification period please email the Track & Field Program Manager at garrett.collier@bcathletics.org or lisa@bcwheelchairsports.com for Para results.

For purposes of team selection, the following performances will not be eligible for selection and/or funding:

- a. Wind-Aided performances
- b. Hand-timed performances for events 800m and shorter. *
- c. Indoor performances.

*Note: Hand-Timed performances in individual and relay events, 800m and shorter will not be accepted for the purposes of team selection. For other events, hand timed results will be accepted for selection when accompanied by documentation signed by the chief track referee.

- d. For Para: Performances completed prior to provisional classification that resulted in an advantage to achieve the performance result

Example: Prior to provisional classification, an athlete competes as a F53 seated thrower where they throw a 3kg shot put and use strapping to hold their hand on the seated throws chair pole. However, after provisional classification they are classified as a F54 thrower who now throws a 4kg shot put and is not allowed to use strapping on their hand. Their performances achieved in the parameters as a F53 seated thrower will be deemed ineligible.
