

B.C. MASTERS OUTDOOR TRACK AND FIELD RECORDS

Updated December 1, 2024)

Effective January 01, 2001: Wind readings are required in races 200m and shorter, and in the long and triple jump. Only electronic times will be accepted in races 400m and shorter. Those marks established with electronic timing are recorded to the hundredth of a second, while hand times are rounded up to the tenth of a second. The conversion factor comparing hand times to electronic times is +0.24 seconds (+0.14 for 400m). "p" indicates pending records.

*** 2024 records (67 in BOLD).
